

THE TEAM

PACIFIC & ORIENT PROPERTIES, LLC, From Malaysia to the US and beyond, Pacific & Orient Properties, LLC is focused on delivering next generation living by combining Asian influenced architecture with cutting-edge technology.

JUAN AZULAY ARCHITECT OF MTRR MGMT, whose design work includes contemporary multifamily and single-family residences, has been featured in prestigious exhibitions around the world including the Ville Fertile at Cite de l'Architecture et Patrimoine in Paris and is part of the permanent collection at the MAK in Vienna.

THORNTON CONSTRUCTION: Shaping our community by collaborating with clients and trade partners to deliver exceptional quality construction services. Thornton's good business sense involves offering a diverse workforce of skilled and dedicated professionals possessing broad experience. Our staff represents all age groups of the various ethnicities of South Florida. Having worked in the area for up to 40 years, these individuals know local commerce and the special considerations of building in a subtropical climate. Solid relationships with local authorities and construction-industry businesses pave the way for a problem-free process.

ONE DESIGNS: Utilizing a team of in-house designers as well as Japanese and overseas furniture makers, One Designs honors the latest trends and classical style while designing for a specific property location. This focus on each property's unique location makes each One Designs project a one-of-a-kind installation. One Designs is bringing the finest in contemporary Japanese design to Miami with their 6th floor lobby and private dining room design at 7918.
